### **\*NEW IN 2018\*** NCSG Symposium Grants

The NCSG Symposium committee will oversee up to eight (8) \$225 symposium grants. The grants are scheduled to be distributed as follows:

- Two (2) \$225 grants will be allocated per region (selected by region) with an additional 2 at-large (selected by NCSG Symposium Committee)
  - If a region does not utilize both allotted grants, then the unused grants will become an at-large grant
  - Grants are only available to states that agree to take appointments at the TEAMS conference
  - Criteria for the grants should be weighted in the following order:
    - o New state attending the Symposium
    - o Additional attendee
    - o Demonstration of financial hardship
    - o Support/promotion of State Games of America
- 

### **Final Thoughts on attending the NCSG Annual Symposium**

If a NCSG member state attends the NCSG Symposium and TEAMS Conference and agrees to take appointments on behalf of their State Games organization, the member state could receive free airfare, free hotel room, \$200 travel stipend and potentially another \$225 in the form of a grant.

All these benefits only cost \$275 in a NCSG Symposium registration fee.
